| • Sonic Welded Seams | • Seamless Sole |
| • 100 Pair (200 Ea) Per case | |
| Color Coded Thread For Quick Sizing ID – Univ: White Thread XL: Black Thread | |

- These boot covers provide superior anti-skid properties in wet and dry conditions
- Seamless sole design with sonic welded seams makes our ankle high boot covers impervious to liquids and provides appropriate particle holdout
- AquaTrak material exhibits a low particle count and offers superior protection against particles, biologicals, fluids and light chemical splash.
